

Advertising Venues for LDEO Jobs

I. Social Media

Search committees should post their job advertisements on the social media pages of various diverse organizations, some of which are listed below. If you would like to suggest additional social media venues to be listed in this document, please contact Kuheli Dutt: kdutt@ldeo.columbia.edu.

- ADVANCE GEO Partnership:** A partnership between the Earth Science Women's Network, the American Geophysical Union, and the Association of Women Geoscientists: Twitter: <https://twitter.com/ADVANCEGeo>
- American Indian Science and Engineering Society (AISES):** Goal of increasing American Indian, Alaskan Native, Native Hawaiian, Pacific Islander, First Nation and other indigenous peoples representation in STEM. Twitter: <https://twitter.com/AISES> and Facebook: <https://www.facebook.com/aises.org>
- Association for Women Geoscientists:** Facebook: <https://www.facebook.com/AWGeoscientists> and Twitter: https://twitter.com/AWG_org
- Earth Science Women's Network (ESWN):** Twitter: <https://twitter.com/ESWNtweets> and Facebook: <https://www.facebook.com/ESWNonline>
- GeoLatinas:** Latinas in Earth and Planetary Sciences. Facebook: <https://www.facebook.com/GeoLatinasFace/> and Twitter: <https://twitter.com/geolatinas>
- National Association of Black Geoscientists (NABG):** NABG Organization on Facebook: <https://www.facebook.com/NABGSocial> and Twitter: <https://twitter.com/NABGSocial>
- Pathways to Science, Institute for Broadening Participation:** Facebook: <https://www.facebook.com/Pathways-to-Science-120825625433/> and Twitter: <https://twitter.com/IBParticipation>
- SACNAS: Advancement of Hispanics, Chicanos, and Native Americans in Science.** Facebook: <https://www.facebook.com/SACNAS> and Twitter: <https://twitter.com/sacnas>

II. Mailing Lists

Search committees should also select from the following mailing lists to post their job advertisements. **Aileen Goldberg, Recruitment Specialist**, in LDEO Human Resources (email:

aileen@ldeo.columbia.edu) can assist with this.

- Arctic Research Consortium of the United States (ARCUS):** To post a job advertisement, submit a form via <http://www.arcus.org/arctic-info/submission>.
- Oceanography, biogeochemistry, climate** (including meteorology, oceanography): To post a job advertisement, send plain text in the body of the email to Ocb_news@whoi.edu.
- Coastal and Estuarine Research Foundation (ERF):** To post a job advertisement, go to info@erf.org.
- COMPRES**-Consortium for Materials Properties Research in Earth Sciences: Run by Stonybrook University. To post a job, email Emily Vance at Emily.vance@stonybrook.edu.
- EarthScope:** This is a program sponsored by the National Science Foundation. To advertise, send an email to uaf-earthscope@alaska.edu.
- Earth Science Women's Network (ESWN):** To post a message, send an email to es_jobs_net@mailman.ucar.edu.
- Geochronology:** To post a job advertisement on the Earth Time mailing list, go to earthtime@ucsc.edu.
- GeoPRISMS (formerly Margins listserv):** NSF Geodynamic Processes at Rifting and Subducting Margins. To post a job advertisement, email margins-list@nsf-margins.org.
- Institute for Broadening Participation:** Aimed at increasing access to science education and careers for underrepresented groups. This includes the Alliance for Graduate Education and the Professoriate (AGEP) and [Pathways to Science](#). To post a job advertisement, email contactus@ibparticipation.org.
- InterRidge Classifieds:** This focuses on ocean ridge research postings. To post a job advertisement, email coordinator@interridge.org.
- IRIS:** Incorporated Research Institutions for Seismology. To post a job advertisement, send plain text in the body of the email message to jobs@lists.ds.iris.edu.
- Meteorology, oceanography and climatology:** To post a job advertisement, email met-jobs@lists.reading.ac.uk.
- MYRES** Meeting of Young Researchers in Earth Sciences: To post a job advertisement,
